Sponsorship Opportunities

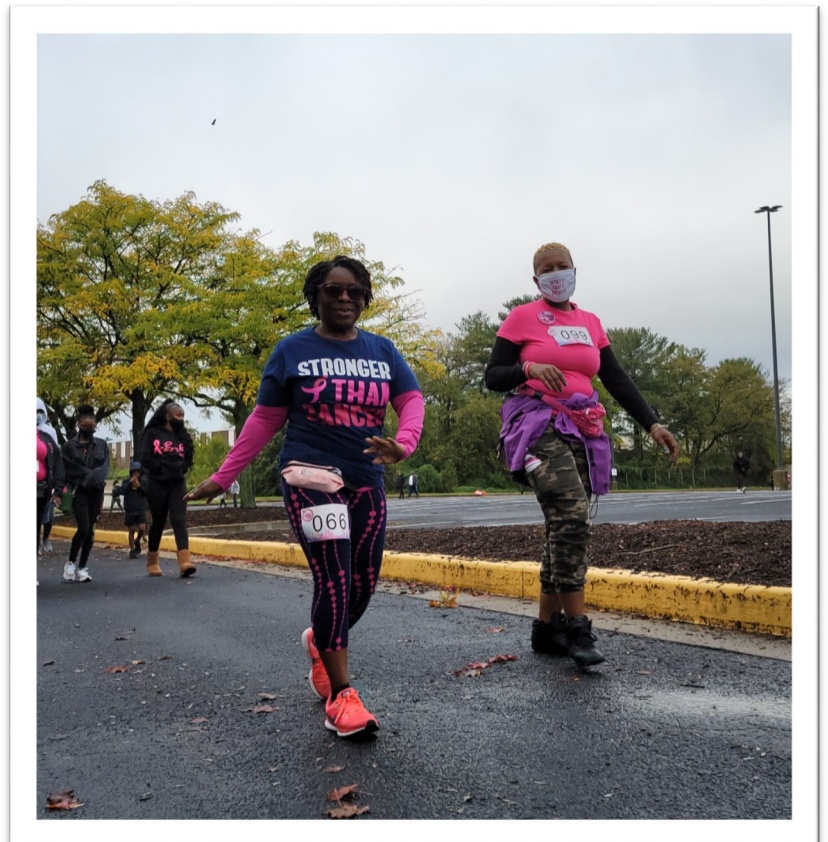

Awareness Event for  
Breast Cancer

**J STRONG  
FOUNDATION**

October 29, 2022

Greetings!

On behalf of the J Strong Foundation, I thank you for considering a sponsorship for your 5K Walk & Pray w/ Pastor J to support Breast Cancer Awareness. We offer numerous sponsorship opportunities to allow you to participate at a level that makes sense for your company – and to make a significant impact in your community.

You may ask how does Breast Cancer affect my community. About 1 percent of all breast cancers diagnosed in the United States are in men. In 2019, about 2,700 men were projected to develop breast cancer, according to the American Cancer Society, compared to 270,000 women. Breast cancer in women is the most common cancer diagnosed in the United States. 1 in 8 women will be diagnosed with breast cancer in her lifetime. There is currently no known cure for breast cancer, and its early diagnosis is critical to survival.

The J Strong foundation is a non-profit organization dedicated to offering free services, innovative programs and support to men and women facing breast cancer so that no one faces breast cancer alone. The 5K Walk & Pray supports the mission of the J Strong Foundation as we raise public awareness, provide patient education and improve healthcare practices.

Your sponsorship will help us make a bigger impact in making strides and delivering hope and support to men and women. Please consider joining us as a sponsor.

Thank You

*P.S. Sponsorships like yours will help fund our 1<sup>st</sup> Annual 5K Walk and kick off initiatives to provide care packages, transportation and moral support to those undergoing chemotherapy treatments.*
